SHAIKH ABDUS SABUR

PRESIDENT - RPGI

President's Message –

Rasulpur Protik Group of Institutions (RPGI)

affirms that every success / achievement requires the wings of determination & result oriented efforts. Since

from its inception in 2013, this Group has strived for imparting quality Teacher education and Medical Science with Learn to serve and Shine. I the

congratulate All the Principals, Professor, Tutor, staff members and all students & wish them all the good luck for the journey ahead. The dynamic leadership of our Administrator Md Rafiqul Islam is bearing fruits & today the Institution has an incredible status & a renowned position in academic spheres, educational excellence & achievement in extracurricular activities.

It is the place where the Future of the Nation is being given the final touch. You may rely on us for charting the best career graph for you.

MD RAFIQUK ISLAM

ADMINISTRATOR - RPGI

Administrator's Message -

Remember you are the largest work force in the health care and Teacher training sector. The role of the nurses and teachers are very important. I am sure your

journey in RPGI will be a smooth one. Your hard work and sacrifice will certainly make you a qualified health care professional and also a Good teacher. As a nurse, you will be called 'angels' and truly to the sick and suffering people you will bring solace and will be an angel.

The purpose of
education is to turn
mirrors into window

Mission

Our mission is to provide excellent educational infrastructure and academic ambiance conducive to higher learning by setting up centers of excellence and instill a sense of ethics and value system among the students.

We are committed to provide opportunities to the students to develop their full potential and professional growth and to spread the light of higher education.

Vision

To generate a stimulating academic environment for higher learning and to bring about a harmonious development of personality among the students by fostering leadership values and importing high degree of Medical & Teaching skills

Objective

To nurture research and knowledge initiative, to empower students with education and employment opportunities, to establish worldwide network with industry and to entrust our enterprise as well as change our students with social responsibilities.
